

# 2023 Weißburgunder Südsteiermark DAC

**Alcohol** 12,0 vol. %

**Acidity** 5,7 g/l

**Residual sugar** 1,9 g/l

## Südsteiermark/ South Styria

The regional wines of Hannes Sabathi are characteristic for south Styria. The grapes for this Weißburgunder are coming from the different vineyards of Gamlitz and Leutschach. The age of the vines is from 10 to 15 years.

## Vintage 2023

The 2023 wine year began with a mild but snowy winter. Soil and roots found peace under the snow cover and the water reserves were well replenished. The cool spring ensured a relatively late flowering and gave way to a summer, that was extremely rainy. Temperature peaks and capricious weather conditions such as hail and floods meant challenges, that required precise and thorough work in the vineyard. Warm days, followed by cold nights, favored the optimal ripening of the grapes. Harvest began on September 18 and ended in mid-October. With a slightly reduced harvest, grapes of excellent quality could be brought to the cellar. The 2023 vintage will be promising and already delights us with its beautiful balance.

## Vinification

Grapes picked by hand.

100% steel tank fermented and matured.

## Tasting note

Classy aromas of Weißbrugunder. A little nutty and buttery with a hint of white peaches are accompanied with a nice acidity. The wine has a nice body with a smooth finish.

## Drinking recommendation

Optimal drinking temperature: 10-12°C degrees  
Nice with a cold fish starter or boiled meat with vegetables.

## Falstaff 91
