vind bubbles

Virgin Sparkling
by Hannes Sabathi

Light, modern, and easy – for everyone who enjoys life in a relaxed way. With two carefully crafted low-alcohol wine beverages and a refreshing alcohol-free grape juice option, VIND brings a fresh breeze to the world of mindful enjoyment.

Less alcohol. More moments.

VIND BUBBLES - a Frizzante with a delicate pale rosé hue. The nose is fruity & grapey, offering aromas of red apple, dried apple peel, lemon balm & cherry compote, complemented by delicate floral notes of hibiscus blossom. On the palate, fresh, fruity & gently sparkling, with a subtle natural fruit sweetness. A delightful, light, alcohol-free alternative.
